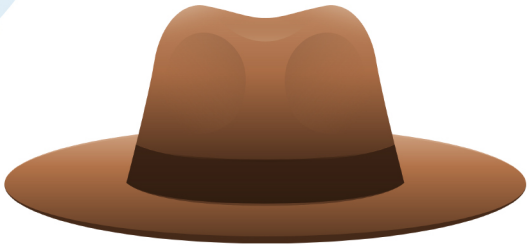
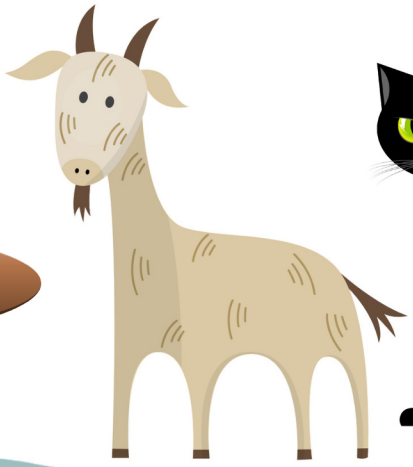
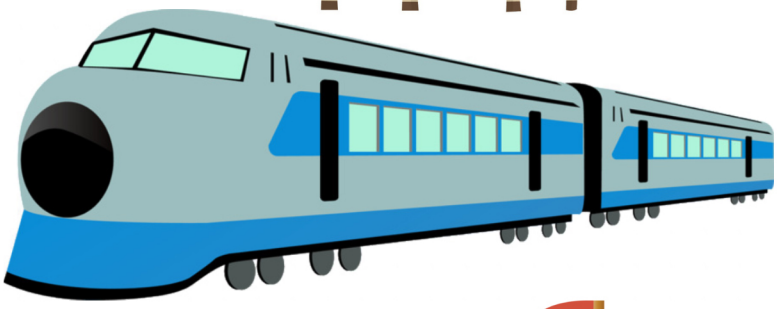
Lipreading

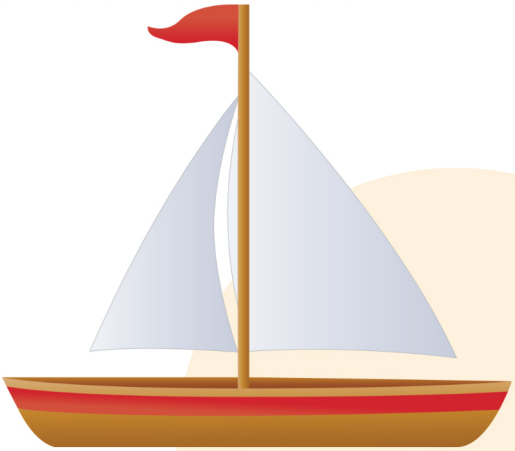
When we speak our lips move to make shapes to form the words. Some Deaf people can watch your lips and understand what you are saying. This is called lipreading. Why not try this with a friend.

Choose a picture and say the word without making a sound. See if your friend can guess which one it was. Now try some more. Some of the words look the same, which ones?









Darlleniad Gwefusau

Pan fyddwn yn siarad, mae ein gwefusau'n symud i wneud siapiau i ffurfio'r geiriau. Gall rhai pobl Fyddar wylio'ch gwefusau a deall yr hyn rydych chi'n ei ddweud. Gelwir hyn yn ddarllen gwefusau. Beth am roi cynnig ar hyn gyda ffrind.

Dewiswch lun a dywedwch y gair heb wneud sain. Gwelwch a all eich ffrind ddyfalu pa un ydoedd. Nawr ceisiwch fwy. Mae rhai o'r geiriau yn edrych yr un fath, pa rai?
